

GESSI
MILANO

AN EXCLUSIVE PLACE FOR YOUR EVENTS

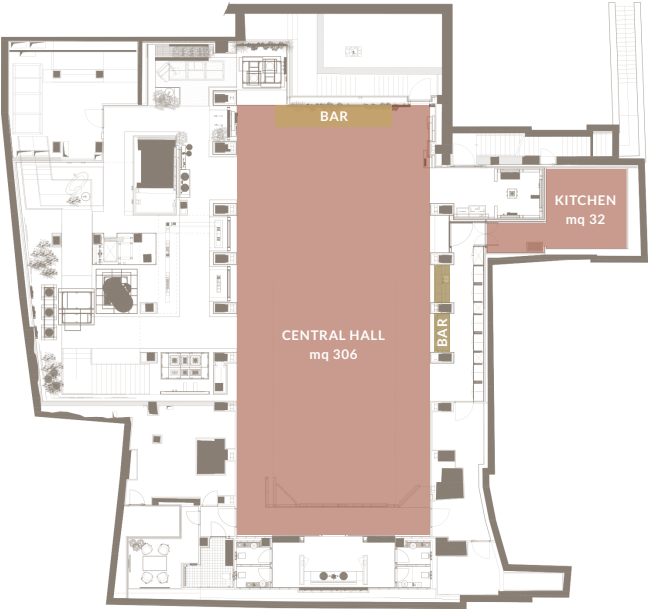

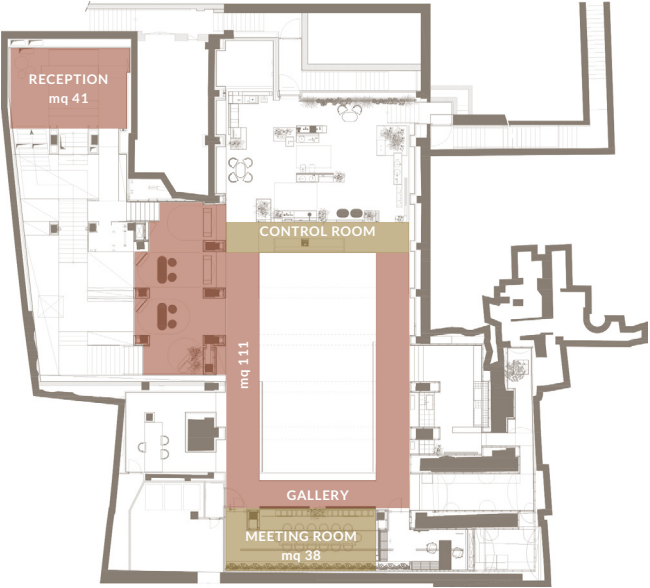

Gessi Milano is the prestigious space for communication and events in the heart of Milan's Via Montenapoleone fashion district.

Close to the Duomo and La Scala, Gessi Milano was born from a radical reinterpretation of an old cinema in Via Manzoni 16/A by the GESSI creative team.

Using purely natural materials such as wood and stone, with waterfalls and pools, amazing vertical underground gardens and high-tech LED walls, Space is a real and unexpected immersion in nature.
